The Main Hall

This is a vast wood panelled square hall with a barrel vaulted glass ceiling. The majestic staircase catches your eye immediately and leads up to the beautiful gallery. The hall makes a stunning room for a wedding ceremony, dinner or dancefloor but given its central location in the house it is necessary to hire the hotel exclusively for your event alone. This carries the facility fee of £1,000. From 2 hours before the event until 11am the following day, the Lands of Loyal can be all yours. Hall Capacity 80 dining, 100 Theatre style.

The whole house charge including the Grand Hall
£1,000 hire charge + all hotel rooms
(see house party packages for preferential rates)
